Summer Camp
2011

www.tumblebugscct.com

Tumble Bugs is a dynamic and creative physical education program that has been a part of the Greenwich, CT community for over 30 years. Our unique camp curriculum is designed specifically for children between the ages of 3 to 6 years. The three-hour camp day will consist of instructor-led, age-appropriate activities in our spacious, safe gym facility; a daily art, cooking or science project; a healthy snack (which we provide*) and outdoor/water play (weather permitting.)

** Tumble Bugs is not a peanut-free facility. Please let us know about any allergies your child may have. Parents are welcome to provide their child with a snack from home.*
